To the Hot springs

 5 minutes
To the private beach

 5 minutes
To the Botanical Garden

Makhinjauri functions as a seaside climatic spa and is part of the group of resorts on Georgia's southwestern Black Sea coast located around Batumi.

The site is renowned for its pleasant climate, balneological springs, therapeutic treatments and natural beauty.

An aerial architectural rendering of the Aquapark Resort & Residence. The image shows a large, winding road that curves around a central area filled with lush greenery and various recreational facilities. In the upper right, there is a large, colorful water park area with multiple slides, a circular pool, and a target-like structure. Below this, there are several swimming pools of different shapes and sizes, some with lounge areas and umbrellas. To the right, there are two large, rectangular swimming pools with wooden decks and lounge furniture. In the lower right, there are two basketball courts with green and red flooring. The entire resort is surrounded by dense tropical vegetation and palm trees. The sky is clear and blue.
